Combining Physical Activity with Curriculum Subjects

## WHO WE ARE

Established in 2010, Sale Sharks Foundation has spent the last decade changing over 75,000 lives in communities across our region. We are committed to introducing rugby to people of all ages and abilities, teaching vital life skills, tackling inequality and ultimately growing the Sharks Family.

## WHY CHOOSE SHARKS SCHOOLS PARTNERSHIP

- **We understand the importance and impact of physical activity**
- Positive effect on students through the lessons and values of sport
- **Develop teachers knowledge, skills and confidence**
- Develop learners to be motivated, engaged & healthy learners
- **Share knowledge and best practice with other schools**
- Increase the standard of physical literacy by linking sessions to PE curriculum

## OUR VALUES

- **PASSIONATE**
- **INCLUSIVE**
- **RESPECTFUL**
- **KIND**
- **FUN**
- **PROUD**

## 2022/2023 IMPACT

- **16,728** people played some form of rugby through the work of the Foundation
- **3,403** people engaged in mental wellbeing programmes organised by Sale Sharks Foundation
- **2,084** hours of Educational support delivered in local schools
- **1,600** young people engaged through disability awareness days

# COMBINING PHYSICAL ACTIVITY WITH CURRICULUM SUBJECTS

## LITERACY

Combines sports journalism and Tag Rugby to help improve literacy. The programme focuses on journalism and media through a professional sports club

## NUMERACY

Innovative and engaging six-week numeracy programme that makes learning about numbers fun and exciting

## RUGBY+

All programmes are delivered through classroom and physical sessions. Stand alone or a part of any SSP package

## HEALTH & WELLBEING

Choose from either a healthy lifestyle or a mental wellbeing focus. Each programme uses rugby to teach the importance of both.

## SPORTING VALUES

Rugby's core values are used as the basis of a six week programme, Sharks Values, to help pupils develop life skills and build their resilience.
